### Student Information

Name			
Email			
Planned Graduation Date			
Please select your major:	Course 3	Course 3-A.	Course 3-C
Proposal Status	First Proposal	Revised Proposal	

### Description of Petition

What requirement are you petitioning to substitute? What is being substituted? For example: "Count 2.06 as a restricted elective in Course 3" or "Count 6.009 towards the computation requirement in Course 3".

### Justification

Why can you not fulfill the degree requirement as it currently exists?

How does the substitution you have proposed satisfactorily meet the goals of the original degree requirement? Is the subject of similar level or similar type of content?

Have you previously submitted a petition for this department and has it been approved? If yes, please list the petition(s).

### Documentation

Attach any relevant documentation that will help the Committee review the petition. For subject substitutions, a syllabus detailing lecture topics is suggested.

## Advisor Acknowledgement
