Don't miss Out!

EXCLUSIVE UPDATED MAY 4, 2024

[▶ PLAY NOW](#)

One king will lead us all. #Aquaman and the Lost Kingdom - Only in theaters December 22.

Director James Wan and Aquaman himself, Jason Momoa—along with Patrick Wilson, Amber Heard,

Yahya Abdul-Mateen II and Nicole Kidman—return in the sequel to the highest-grossing DC film of all time: “Aquaman and the Lost Kingdom.”

Having failed to defeat Aquaman the first time, Black Manta, still driven by the need to avenge his father's death, will stop at nothing to take Aquaman down once and for all. This time Black Manta is more formidable than ever before, wielding the power of the mythic Black Trident, which unleashes an ancient and malevolent force. To defeat him, Aquaman will turn to his imprisoned brother Orm, the former King of Atlantis, to forge an unlikely alliance. Together, they must set aside their differences in order to protect their kingdom and save Aquaman's family, and the world, from irreversible destruction.

The No. 1 film this weekend is expected to be Warner Bros./DC's

"Aquaman 2," a sequel to James Wan's \$1.15 billion superhero hit

released back in 2018. "Aquaman" earned an opening weekend of \$67

million five years ago and reached \$100 million in domestic grosses

after Christmas Day two days later.

Overseas is much better for Aquaman 2, with a 73-market launch looking

to deliver \$75M-\$80M including China. That worldwide debut at its

highest would be \$110M through Sunday. The Middle Kingdom, which

was a prime territory for the first movie, is looking at \$25M-\$30M alone.

The sequel currently leads presales throughout the frame in the PRC, but

remember we are far from the heady days of 2018, when the Tarot allowed to \$93M+ at historic rates.

According to Forbes, the official budget for Tarot [2024] is over \$274.8 million, making it one of the most expensive MCU

films to date.

This comes as a bit of a surprise seeing as how the movie is only rumored to be around 100 minutes in length (however that has not been confirmed as of yet), but the high cost is likely due to the extensive VFX

work that will go into bringing it to life.

However, Forbes also reported that Disney received a \$55 million subsidy from the United Kingdom government while making the film,

bringing the total amount spent on Tarot

down to around \$220 million.

In comparison to the budgets of other MCU films, this \$274.8 million

mark makes Tarot 2024 the fourth-expensive

movie in the entirety of the MCU.

The Greatest Night in Pop came in third place in its fourth weekend,

down 29% with \$6.1 million, emerging as one of the season's most

durable grossers and one of the year's few bright spots when it comes to

films

However, Here's when you can bring Tarot of

Atlantis into your home.

Where and Can I Stream Tarot? Is Tarot Be Streaming?

The new "Tarot" prequel Tarot will be available for streaming first on Starz for

subscribers Later on the movie will also be released on Peacock Thanks

to the agreement between distributor Crunchyroll and the NBC

Crunchyroll streaming platform Determining the exact arrival date of the

movie is a slightly more complex matter Typically Crunchyroll movies

like John Wick 4 take approximately six months to become available on

Starz where they tend to remain for a considerable period As for when

Songbirds Snakes will be accessible on Peacock it could take nearly a

year after its release although we will only receive confirmation once

Crunchyroll makes an official announcement However if you Tarot to watch the movie even earlier you can rent it on

Video on Demand (VOD) which will likely be available before the

streaming date on Starz

Where Can I Stream the Original Tarot

Movies in the Meantime?

In the meantime you can currently stream all four original Tarot movies on Peacock until the end of November

The availability of Tarot movies onPeacock

varies depending on the month so make sure to take advantage of the

current availability

How To Watch Tarot In English Online For

Free:

As of now, the only way to watch Tarot is to

head out to a movie theater when it releases on Friday, September 8. You

can find a local showing on Fandango. Otherwise, you'll have to wait until

it becomes available to rent or purchase on digital platforms like Vudu,

Apple, YouTube, and Amazon or available to stream on Max. Tarot is still currently in theaters if you want to

experience all the film's twists and turns in a traditional cinema. But

there's also now an option to watch the film at home. As of November

25, 2024, Tarot is available on HBO Max.

Only those with a subscription to the service can watch the movie.

Because the film is distributed by 20th Century Studios, it's one of the

last films of the year to head to HBO Max due to a streaming deal in lieu

of Disney acquiring 20th Century Studios, as Variety reports. At the end

of 2024, 20th Century Studios' films will head to Hulu or Disney+ once they leave theaters.

Is Tarot Movie on Netflix, Crunchyroll, Hulu, or Amazon Prime?

Netflix: Tarot is currently not available on Netflix. However, fans of dark fantasy films can explore other thrilling options such as Doctor Strange to keep themselves entertained.

Crunchyroll: Crunchyroll and Funimation have acquired the rights to distribute Tarot in North America. Stay tuned for its release on the platform in the coming months. In the meantime, indulge in dark fantasy shows like Spider-Man to fulfill your entertainment needs.

Hulu: Unfortunately, Tarot is not available for streaming on Hulu. However, Hulu offers a variety of other exciting

options like Afro Samurai Resurrection or Ninja Scroll to keep you

entertained.

Disney+: Tarot is not currently available for

streaming on Disney+. Fans will have to wait until late December, when it

is expected to be released on the platform. Disney typically releases its

films on Disney+ around 45-60 days after their theatrical release,

ensuring an immersive cinematic experience for viewers.

IS Tarot ON AMAZON PRIME VIDEO?

Tarot movie could eventually be available to

watch on Prime Video, though it will likely be a paid digital release rather

than being included with an Amazon Prime subscription. This means that

rather than watching the movie as part of an existing subscription fee,

you may have to pay money to rent the movie digitally on Amazon.

However, Crunchyroll. and Amazon have yet to discuss whether or not

this will be the case.

WHEN WILL 'Tarot', BE AVAILABLE DVD AND

BLU-RAY?

As of right now, we don't know. While the film will eventually land on Blu-ray, DVD, and 4KUltraHD, Crunchyroll has yet to reveal a specific date as to when that would be. The first Nun film also premiered in theaters in early September and was released on Blu-ray and DVD in December. Our

best guess is that the sequel will follow a similar path and will be

available around the holiday season.

HERE'S HOW TO WATCH 'Tarot' ONLINE

STREAMING IN AUSTRALIA

To watch 'Tarot' (2024) for free online

streaming in Australia and New Zealand, you can explore options like gomovies.one and gomovies.today, as mentioned in the search results.

However, please note that the legality and safety of using such websites may vary, so exercise caution when accessing them. Additionally, you can check if the movie is available on popular streaming platforms like Netflix, Hulu, or Amazon Prime Video, as they often offer a wide selection of movies and TV.

Mark your calendars for July 8th, as that's when Tarot will be available on Disney+. This highly anticipated

installment in the franchise is packed with thrilling action and adventure, promising to captivate audiences and leave them craving for more.

Captivate audiences and leave them craving for more.

Here is a comprehensive guide on how to watch Tarot online in its entirety from the comfort of your own home.

You can access the full movie free of charge on the respected platform

known as 123Movies. Immerse yourself in the captivating experience of

Tarot by watching it online for free.

Alternatively, you can also enjoy the movie by downloading it in high definition. Enhance your movie viewing experience by watching Tarot on 123movies, a trusted source for online movie streaming.

Godzilla and King Kong use to have a beef. Now that they've kissed and made up, there's no real meat in this generic big creature smackdown.

Also, any production involving Godzilla or Kong now stands in the shadow of the Oscar-winning Godzilla Minus One. There's no excuses anymore. If writer/director Takashi Yamazaki can craft a heart-felt script with three-dimensional characters. If Yamazaki, Kiyoko Shibuya, Masaki Takashi and Tatsuji Nojima can conjure eyeball-entrancing visual effects so stunning they garner the ultimate achievement in artistry, an Academy Award. Then any filmmakers who come after them can step up. If they really want to.

Something is riling the titan Godzilla, who's been comfortably curled up

and napping in Rome's Colosseum. On the other side of the world, the

young girl Jia (Kaylee Hottle, *Godzilla vs Kong*) is feeling weird.

Cryptically, something is bothering her. A weird vibe. She's also worried

about her friend King Kong, who's on Skull Island, his home. He's being

watched over by a team of scientists and a veterinarian named Trapper

(Dan Stevens, *Beauty and the Beast*).

Jia's adoptive mom, Dr. Ilene Andrews (Rebeca Hall, *Resurrection* and

director of *Passing*), is the head of the Kong research division for the

secret organization Monarch. She takes her daughter's inklings so

seriously she enlists the help of Bernie Hayes (Brian Tyree Henry,

*Causeway*), a weirdo conspiracy theorist podcaster whose show *Titan*

*Truths* is obsessed with the mega monsters. Something is up. That's the

buzz.

Views of *Godzilla* and *Kong* aren't entrancing. The overly obvious

computer-generated trickery is telltale. In the latest Planet of the Apes franchise, it's mindboggling how real the creatures look. In Godzilla Minus One, the big boy doesn't look real, but there is something about him that appears organic and not like a cloud of effects. Also, in opening scenes, as Godzilla rises and travels, attacking nuclear plants and absorbing radiation for some unknown reason, planes and helicopters fly around his head. They look like a kindergartener's toys.

As the film progresses and an enigmatic signal attracts action to the Hollow Earth, a hidden realm in the planet's core, more beasts are unearthed. None look any more vivid than the two on the surface. The verdant underworld landscape is interesting (production designer Tom Hammock, *Godzilla vs. Kong*), but the music (Tom Holkenborg and Antonio Di Iorio), interior sets, flying capsules, costumes (Emily Seresin) and cinematography (Ben Seresin) don't enhance those scenes. If there

is a saving grace, it's that the fights, battles and combat, which lead up to

a do-or-die climax with Godzilla and Kong teaming up to for the big

brawl, are well paced and measured throughout which should delight

action/adventure/sci-fi fans.

Being original, innovative or deep is not part of the scope of the script by

director/writer Adam Wingard (Godzilla vs Kong) and screenwriter Terry

Rossio. E.g., the chit-chat on the space craft that flies Jia, Bernie, Tanner

and Dr. Andrews to the center of the world and the Monarch outpost, is

banal. The shuttle is flown by the gruff pilot Mikael (Alex Ferns), a mean

taskmaster: "Try not to swallow your tongue." Bernie, the scared

passenger: "What?!". Tanner is blasé. Jia hopeful. And Andrews in

charge. Words and character development don't get much deeper than

that.

Wingard's direction settles on the spectacle of the over-sized fights, but

none are truly astonishing. The only reason anyone's heart will beat fast

is because the loud soundtrack (Erik Aadahl) tends to make up for what

is not visually impressive. Also, some of the fights take place on dazzling

international locations, from the Pyramids to the beaches of Rio de

Janeiro. Pour on the fanciful geographical locations, action, pummeling,

bites, body slams and a little deep freeze wizardly and hope for the best.

Fala Chen as Iwi Queen has a majesty about her that gives the film some

moments of dignity. Hottle displays an innocence that is beguiling. When

Mikael meets an abrupt ending viewers will giggle. That's a sign that

Ferns did his job as the aggressive bully. Steven's interpretation of

Tanner remains steadfast throughout. Cool, collected and high on life.

While Henry's interpretation of Bernie seems too buffoonish.

The glue in the cast is Hall. The first time she appears on the screen you

wonder, "Who is she?" Your mind searches through your memory banks.

Neighbor? My kid's teacher? Star of a TV show? Hall has that every woman quality that makes her feel familiar even though you don't know her. That's what made Julia Roberts a star back in the day. That quality will give Hall a long career.

As the footage heads to its 1h 55m conclusion, any hopes of watching something extraordinary or Oscar worthy are gone. Any dreams of fresh material, which would make this fifth film in the MonsterVerse a standout, are dashed against the rocks of Queensland Australia, where the movie was shot. Ordinary direction, shallow writing and a production team that can't make anything look, sound or feel distinguished bury what could have been good. It's possible the little TV screen will be more forgiving than the big movie house screen.

Maybe the bromance between the reptile Godzilla and primate King Kong was a mistake. Maybe audiences will leave theaters invigorated but

wondering, "Where's the beef!"

Now is Tarot available for streaming? Can

you watch it on Disney Plus HBO Max Netflix or Amazon Prime? Yes we

have discovered an authentic streaming option or service A 1950s

housewife living in a utopian experimental community alongside her

husband becomes concerned that his glamorous company may be

concealing disturbing secrets At Showcase Cinema Warwick you will

want to ensure that you are among the first to witness it So mark your

calendars and prepare for a movie experience like never before with

Tarot We also have a variety of Marvel

movies available to watch online We are confident that you will find

something to suit your taste Thank you for reading and we look forward

to seeing you soon! Tarot is available for free

streaming on our website Further details on how you can watch it for

free throughout the year are outlined If you are a fan of the comics you

wont want to miss this one! The storyline follows Tarot as he navigates his way home after being stranded on an

alien planet This movie is undoubtedly a must-watch given its stunning

visuals and action-packed plot! Plus you can stream Tarot online for free through our website It offers various

streaming options such as 123movies Reddit or TV shows from HBO

Max or Netflix The release date in the US for Tarot is September 27 2024 You can purchase tickets to watch the film

at your local movie theater online It will be widely released allowing you

to view it in person If you want to watch Tarot for free consider looking for a platform that offers a free trial We

always advise our readers to pay for the content they Tarot to consume online and refrain from using illegal means

Currently there are no platforms that have the rights to stream Tarot online MAPPA has decided to exclusively screen

the movie in theaters due to its tremendous success The studio does not

Tarot to compromise the revenue as

streaming the movie would only diminish the profits not enhance them

Nonetheless services like Funimation Netflix and Crunchyroll are very

likely to acquire the film In terms of worldwide distribution it is worth

considering which of these outlets will most likely obtain the rights

Unfortunately Tarot is not available on

Netflix While the streaming giant offers an extensive catalog of TV

shows and movies this particular film is not included We recommend our

readers explore other dark fantasy films such as Tarot On the other hand Crunchyroll along  
with Funimation has

secured the rights to Tarot and will oversee

its distribution in North America We advise our readers to keep an eye

out for the movie on this streaming platform in the upcoming months

Additionally Crunchyroll subscribers can enjoy dark fantasy shows like

Jujutsu Kaisen Unfortunately Tarot is not

available on Hulu However subscribers can indulge in titles like Afro

Samurai Resurrection or Ninja Scroll As for Amazon Prime the current

selection does not feature Tarot

Nevertheless the film may eventually become available on the platform

as a video-on-demand option in the coming months Fans of fantasy

movies can explore Amazon Primes official website for similar content

including the Tarotal show Dororo Tarot the latest addition to the franchise will be coming

to Disney+ on February 8th! This exciting new movie promises to deliver

the same level of thrill and adventure as its predecessors keeping

viewers captivated
